TRACKMAN

We're the new, powerful, eager and energetic branches, blooming flowers and seeds of a strong, independent and unshakeable tree carrying dreams and goals from his roots to his branches and we follow his ideals with the same strength, desire and energy.

*In memory of the First Glorian, Mr. Nuri Özattın,
we impart our love, respect and longing.*

TRACKMAN

Gloria Hotels & Resorts guests have the privilege to use the only 45-hole golf course of the Mediterranean Riviera with its two 18-hole championship courses and a 9-hole Verde Golf Course, designed by the famous golf architect Michel Gayon and preferred not only by golf enthusiasts but by professionals as well.

Gloria Golf Club has taken a major step into the world of driving range technology, by adding a TrackMan system that looks set to revolutionise the Turkish resort's range experience as the very first of its kind to be installed by a European resort.

Gloria Hotels & Resorts guests have the privilege to use the only 45-hole golf course of the Mediterranean Riviera with its two 18-hole championship courses and a 9-hole Verde Golf Course, designed by the famous golf architect Michel Gayon and preferred not only by golf enthusiasts but by professionals as well. Gloria Golf Club has taken a major step into the world of driving range technology, by adding a TrackMan system that looks set to revolutionise the Turkish resort's range experience as the very first of its kind to be installed by a European resort. The Gloria Golf Training Academy and range area is the largest purpose built training facility in Turkey. Trackman Range, the state-of-the-art system is used by more than 10,000 professionals and instructors across the world, utilising a doppler radar system to display a variety of fun games and ball tracking software to 27-inch touchscreens in each bay. For more experienced players who are looking to master their game ready for application out on the three courses at Gloria Golf Club, the software allows users to track and view ball speed, carry, launch angle, precise distances and shot shaping. This is displayed across the 48 screens on the range, giving golfers the crucial information required to improve their game. Lessons for both individuals and groups are available from Our PGA and TPGA qualified teaching professionals, Nike, Taylor Made and Titleist golf clubs are available to use, while the indoor Arena uses Flightscope and SAM putt lab technology. The facilities include five putting greens, six bunker greens, seven chipping and pitching greens, a wedge practice area, 48 covered range bays and 50 grass tee bays. The Gloria Golf Training Academy covers an area of 3500 m².
